ENVIPCO HOLDING NV Company Snapshot [Purchase a Full Report on this Company](#)

Business Description:

Envipco Holding NV is a Netherlands-based holding company listed on NYSE Euronext Brussels. The Company is engaged, through its subsidiaries, in the design, development, manufacture and sale or lease of reverse vending machines (RVM), as well as in the foundation of recycling systems for the collection and processing of used beverage containers in the United States, Europe, Australia, and the Far East. It is also active in the processing of used polyethylene terephthalate (PET) and high density polyethylene (HDPE) plastics for recycling. In addition, it provides technical support, RVM maintenance and accounting services to the retail stores, bottlers and distributors. As of December 31, 2009, Envipco Holding NV had a number of subsidiaries active in the Netherlands, Germany, France, the United Kingdom, the United States, Canada, Japan and Sweden.
