ENVIPCO LISTS ON EURONEXT AMSTERDAM

Amsterdam –27 June 2018 – Envipco (ticker symbol: ENVI), a recycling company leading in the development and operation of reverse vending machines (RVMs), began trading today on Euronext Amsterdam.

Their listing on Euronext Amsterdam is in addition to the listing on Euronext Brussels, since 1998.

Envipco plays a key role in end-to-end beverage container recycling as provider of solutions to capture containers in a cost-effective way. Envipco operates in a number of countries around the globe, holding the no. 2 position in the established North American market. The company also successfully entered the European market in Sweden with its revolutionary Quantum technology. The company's customer base includes some of the world's largest retailers.

The additional listing on Euronext Amsterdam will further enhance Envipco's profile among a broader investment community.

Gool Santchurn, CEO of Envipco, said: *"We want to provide the most efficient and competitive technology to enable consumers around the world to recycle their beverage containers. By making recycling easier, convenient and rewarding, we hope to make this simple act second nature. We believe a listing on Euronext Amsterdam will add to the visibility of our company and its shares."*

To celebrate the listing, Gool Santchurn sounded the gong in Amsterdam, which denotes the opening of trading of the company on Euronext Amsterdam.
