Envipco strengthens corporate management

Amersfoort, 6 February 2024 – Envipco Holding N.V. (“The Company” or “Envipco”) (OSE: ENVIP, AES: ENVI) is pleased to announce the appointment of Mikael Clement as its Chief Strategy and IR Officer (CSO). The CSO role is new to Envipco and strengthens the Company’s corporate management. Mikael Clement will be an integrated part of the Company’s Executive Management Team.

Mikael Clement will be responsible for shaping and defining the corporate and financial strategy of Envipco in addition to developing and leading the investor relations (IR) strategy and efforts of the Company. He will report directly to CEO Simon Bolton.

Mikael Clement is a senior financial executive who brings nearly three decades of experience to the Company. He has extensive experience from investment banking and investment management as an analyst and financial and strategic advisor. Before joining Envipco Mikael Clement was CFO of Xplora Technologies, successfully managing the company through rapid organic and inorganic growth and funding from early development through listing on Euronext Growth Oslo while jointly leading the company’s IR activities. Mikael holds a BBA in Finance (Siviløkonom) and BA with honors from Pacific Lutheran University, USA.

“We are very pleased to welcome Mikael to Envipco. I have had the pleasure of working with Mikael as advisor to Envipco over the past few months, and his extensive experience from finance, IR and corporate strategy and development will be key additions to our executive leadership. He will play an instrumental role in the development and execution of our growth and financial strategy going forward and be key to raising Envipco’s investor attention and professionalizing our IR activities” says CEO Simon Bolton.

“Envipco has built a strong, agile organization with an exciting position in a rapidly developing market, driving a tremendous potential with vast opportunities. I am very much looking forward to contribute to leveraging the strategic potential of Envipco together with the highly competent team “ says Mikael Clement.
