Envipco – Publication 2021 Annual Report

Amersfoort, The Netherlands – April 29, 2022 – Envipco, a global provider of recycling systems and reverse vending machines (RVMs), has today published its Annual Report 2021 on its corporate website (www.envipco.com).

There were some changes to the audited full year results as included in the annual report compared to the preliminary unaudited results as announced on February 23, 2022:

- Operating profit for 2021 increased to €2,331k from €2,100k previously reported. This change resulted from a provision adjustment.
- Income taxes for 2021 increased to €933k from €568k previously reported. This change resulted from a revision of the US income taxes.
- Net profit for 2021 decreased as result of the above to €592k from €726k previously reported.
- Earnings/(loss) per share decreased to a profit of €0.01 from a profit of €0.02 previously reported.
